CLEAN16+

PVC LINER PANEL

Residential • Agricultural • Commercial

PVC LINER PANELS THAT **EXCEED YOUR EXPECTATIONS**

DEFEND

CLEAN16+ forms a barrier between your wall and the harmful elements. Whether it is moisture or cleaning chemicals, CLEAN16+ is your best line of defense.

REFRESH

Moisture, chemicals and dirt will test any finish. CLEAN16+ instantly transforms dingy old walls into a bright, clean environment that you can be proud of.

EXTEND

Your walls do more than simply support the roof, they house your investment. CLEAN16+ protects and extends the life of your walls and your investment.

KEY ADVANTAGES

- Industry leading 3/8" thick heavy wall design
- Cost effective
- Can be used for new construction or retrofit
- Bright clean appearance
- Virtually maintenance free
- Meets CFIA (Canada) and FDA (U.S.A.) requirements for walls and ceilings
- Available in multiple lengths to efficiently complete any project
- Corrosion-resistant
- Hidden fasteners
- Highly resistant to moisture and most chemicals
- Ideal replacement for conventional wall systems
- Lightweight, fast easy installation
- Supports attic insulation loads
- Pre-punched nailing flange

STANDARD TRIM PRODUCTS

WESTMAN STEEL **DELUXE**
SNAP-TRIM
 FINISHING MADE EASY.

Whether you need to trim an opening or fix a mistake, SNAP-TRIM makes it possible for anyone to finish like a pro. Fasten the appropriate anchor strip and a beautiful finishing piece snaps in place – it's that easy. No more patches or improvising. Just a professionally finished facility in a fraction of the time.
